

Infocard criteria for Health~Holland Portal

1. A proper infocard includes:
 - a. Concise information for the Life Sciences & Health Sector (English)
 - b. Direct link to the relevant web address (URL)
 - c. Preferably linking to an English web page
 - d. High resolution logo or image
 - e. Keywords that suit your organisation and are sector specific
2. Commercial purposes are not allowed. If you are interested in a placement on the portal please contact Top Sector Life Sciences & Health (LSH) and we will decide whether the information fits with the mission of the portal.
3. Top Sector LSH will review the information submitted for the new infocards and choose the location on the portal. Top Sector LSH will perform the final editing of all infocards.

If you have any questions then please contact us via info@health-holland.com or +31 70 349 5442.
