### Registration

**Register** on the matchmaking platform of the eHealth Call on <https://ehealth-call-ch-nl.b2match.io>. After your registration you will receive the link to the online event.

We recommend to register **your profile** on the b2match platform to make your organisation's expertise and cooperation offers or requests visible to all other participants of the event and of the eHealth Call.

If you are available to **pitch** your organisation and ongoing projects in the domain of children's health monitoring in a school or family context, mark the corresponding box in the registration and prepare 1 Slide for the information event.
